

## **REQUEST FOR INFORMATION (RFI)**

### **Game-Based eLearning**

Release Date: 8/1/2013

Response Date: 8/30/2013

#### **DISCLAIMER**

This RFI is for informational and planning purposes only and shall not be construed as a Request for Proposal (RFP) or as an obligation on the part of GarageGames. GarageGames does not intend to award a contract on the basis of this request or otherwise pay for the requested information. No reimbursement will be made for any costs associated with providing information in response to this announcement or any follow-up information requests.

## **OVERVIEW**

GarageGames is an integrator and developer of technology for the entertainment and education sectors. We provide management, business development, outsourcing, and development for multi-national corporations and educational institutions.

GarageGames is contracted and currently bidding on contract software services work in excess of \$5 million to multiple companies in the software, entertainment and education industries. GarageGames is seeking teammates to complete its work under contract and participate as a team member for future Requests for Proposals (RFPs).

## INFORMATION SOUGHT

GarageGames is requesting information related to commercially available technologies and services in support of eLearning and MOOCs (Massively Open Online Courses). Current trends in education have led to increased demand in the development of game-based, on-line curriculum.

All respondents should use the form below to provide information regarding their technology and services. Response topics include the following areas of interest:

### **Areas of Interest**

- 1) Web standard 2D art production
- 2) Web standard audio production
- 3) eBook & eLearning services
- 4) Assessment systems and services
- 5) HTML5 and related desktop and mobile interactive production
- 6) Localization services
- 7) Quality assurance and usability

## SUBMISSION INSTRUCTIONS

Interested sources must submit any information relating to this announcement in writing via e-mail to [geoffb@garagegames.com](mailto:geoffb@garagegames.com) or [josephm@garagegames.com](mailto:josephm@garagegames.com).

Respondents may request a non-disclosure agreement (NDA) prior to sending sensitive or proprietary information. In lieu of an NDA, GarageGames, as it sees fit, will identify information as confidential and protect all submissions accordingly.

The deadline for receiving responses is midnight PST, August 30th, 2013. Responses received after this deadline may not be considered. Since this is a Request for Information announcement, no evaluation letters will be issued to the participants.

## REQUEST FORM

Respondents should answer all questions to the best of their ability. GarageGames is requesting that the cumulative response to these questions be confined to three or less pages using the same font, size, and margins of this page.

- 1) Organization Name and Web Address.
  
- 2) Of the Areas of Interest defined above, please select **ONE** that most closely aligns with your organization's core competencies.
  
- 3) In priority order, please name and briefly describe the most significant **FIRST PARTY** intellectual property developed and used by your organization to provide service to one or more of the Areas of Interest.
  
- 4) In order of expertise, please name and briefly define your organization's experience with **THIRD PARTY** intellectual property used in one or more of the Areas of Interest.
  
- 5) Please identify and briefly define your past performance as it relates to **ANY** of the Areas of Interest.
